### (B) Associate Teacher Comments:

#### Strengths

Ms. Park had a successful 5 weeks in our classroom. She takes feedback and makes appropriate changes to her lessons. She has effective classroom management strategies such as taking a pause to quiet down, assessing student understanding using various strategies, and redirecting students. Ms. Park has excellent work ethics and comes to class prepared. During her time here, she created 5 special events that exploded with creativity tapping into the students' imagination resulting in a magical experience enriching their learning experience and making it meaningful. Ms. Park's effort, energy, and continuous desire for learning and improvement will make her an excellent teacher.

#### Areas of Improvement

Ms. Park should continue to monitor the pace and timing of events in her lesson. She is encouraged to continue to learn effective strategies to break down and scaffold instruction so grade 4's and 5's can easily understand what is being asked. This way, the task is clear and it will decrease the time needed to repeat the instructions and provide better flow during the lesson. Ms. Park should continue to pause to wait for the students' attention before speaking. I am confident that Ms. Park will successfully achieve these improvements as she continually refines her craft as a teacher.
