To Whom This May Concern,

I recommend Ms. Samantha Park as candidate for a teaching position in your board. I had the pleasure of meeting Ms. Park during her teacher candidate placement in my 5/6 classroom. She is a driven, organized, and prepared teacher who creates meaningful, creative, detailed, and engaging lessons for her students.

During her placement, Ms. Park showed up earlier than asked, worked hard, and carried herself in a polite and respectable manner. She had a good rapport with the students. She demonstrated a high level of professionalism in the classroom. She had clever ways to get the student's attention and have them reflect on their learning. She was able to develop lessons that met the diverse needs of my classroom. She added appropriate modifications and accommodations for the students that needed them during class lessons as well as on assessments.

If you have any requests or questions do not hesitate to contact me.

Sincerely,

*Michelle Wilson*
