

Classroom, Schoology, and PowerSchool Observation

Teacher: Ms. Park

The following criteria were evaluated during a recent observation

Course: Science 10

1. Classroom Environment (inviting, clean, organized, etc.)
2. Effective Planning (MoE documents, Schoology courses organized, PowerSchool up-to-date)
3. Student/Teacher Relationships (Engaged students, respectful dialogue/environment, etc.)
4. Teaching Practices (Uses professional knowledge, manages class, communicates effectively, evidence of proper assessment, etc.)

Observations:

↳ very interactive lesson using questioning techniques
↳ student are very interested and asking/answering questions
↳ used props to learn about different diseases

Improvements/Suggestions:

N/A

Schoology Pages

Teacher: Ms. Park Course(s): Science 10

Schoology Area	Comments
Use of categories	Science 10A - categories not weighted in Schoology see me if you are unsure how to do this
Correctly sync to PowerSchool	yes ✓ everything appears to sync correctly and shows up in Powerschool
Due dates turned on to populate student's calendar	yes ✓
